Customer Help Centre — Frequently Asked Questions

1. Returns and Refunds

What is NorthShop's return policy?

NorthShop accepts returns within 30 days of the delivery date. Items must be unused, in their original packaging, and accompanied by proof of purchase. Sale items marked as final sale are not eligible for return.

How do I start a return?

Log in to your NorthShop account, go to Order History, and select 'Request Return' next to the relevant order. You will receive a prepaid return label by email within 24 hours. Drop the parcel at any An Post location.

How long does a refund take to process?

Once we receive your returned item, refunds are processed within 3 to 5 business days. The refund is returned to your original payment method. Bank processing times may add an additional 2 to 3 business days.

Can I exchange an item instead of returning it?

Yes. Exchanges are available for a different size or colour of the same product, subject to stock availability. To request an exchange, follow the same return process and select 'Exchange' instead of 'Refund' at the final step.

What happens if my item arrives damaged?

If your item arrives damaged or defective, contact our support team at support@northshop.ie within 7 days of delivery. Attach a photo of the damage. We will arrange a replacement or full refund at no extra cost to you, including return shipping.

Are there any items that cannot be returned?

The following items are non-returnable: digital downloads, gift cards, personalised or custom-made products, perishable goods, and items marked as final sale. Hygiene-sensitive products such as earrings and underwear are also non-returnable once opened.

2. Shipping and Delivery

What are NorthShop's delivery options?

NorthShop offers three delivery options for Republic of Ireland orders: Standard Delivery (3 to 5 business days, EUR 3.99), Express Delivery (1 to 2 business days, EUR 7.99), and Free Standard Delivery on all orders over EUR 50.

Do you deliver to Northern Ireland and the UK?

Yes. Delivery to Northern Ireland and the UK takes 4 to 7 business days and costs EUR 9.99 flat rate. Orders over EUR 100 qualify for free delivery to Northern Ireland and the UK.

Do you offer international shipping?

NorthShop currently ships to Republic of Ireland, Northern Ireland, UK, and all EU member states. International EU delivery takes 5 to 10 business days and costs EUR 14.99. We do not currently ship outside the EU.

How do I track my order?

Once your order is dispatched, you will receive a shipping confirmation email with a tracking number. You can track your parcel at track.northshop.ie or directly on the An Post or DPD website depending on your delivery option.

What happens if I miss my delivery?

If you are not available at the time of delivery, the courier will leave a notification card and attempt redelivery the next business day. After two failed attempts, your parcel will be held at your nearest collection point for 7 days before being returned to us.

How long does dispatch take after I place an order?

Orders placed before 2:00 PM Monday to Friday are dispatched the same day. Orders placed after 2:00 PM or on weekends are dispatched the next business day. During sale periods, dispatch may take up to 2 business days.

What payment methods does NorthShop accept?

NorthShop accepts Visa, Mastercard, American Express, PayPal, Apple Pay, and Google Pay. All transactions are processed securely via Stripe. We do not store your card details.

Can I cancel or change my order after placing it?

Orders can be cancelled or modified within 1 hour of being placed. After that window, the order enters our dispatch queue and cannot be changed. To cancel within the hour, contact support@northshop.ie immediately with your order number.

I was charged but received no confirmation email. What should I do?

Check your spam or junk folder first. If there is no confirmation email after 30 minutes, contact us at support@northshop.ie with the email address used at checkout and the approximate order time. We will confirm whether the order was received.

Do you offer discount codes or loyalty points?
